A PHOTOGRAPHIC SUCCESS.

She had the photographic fad in all its fiercest forms, she made a specialty of plates depicting skies and storms; so one day, when her hubby set to work to clean his barn, she stopped him with fury, "Hold still!" (She'd lost her mind he feared.)

"I have my camera at hand, please do not move your jaw," the latter gives a clouded reply. "I have seen it done before. MERCHANTS' BANQUET!

Board of Trade Entertains at New Central Last Night.

Plenty Good to Eat—Plenty of Good Speeches—And Good Feeling a-Plenty Too.

There have been banquets, and gatherings, and meetings, and speech-makings in Maysville, but it remained for the Board of Trade, headed by President John Duley and backed up by Secretary H. C. Curran, to show to our people that they had never attended a real, sure-enough banquet nor ever heard real, sure-enough speeches making before.

Last night at the New Central Hotel the Board of Trade gave a banquet to the business and professional men and to those who are interested in the welfare of this city.

To the invitations sent out—and it was a universal one—there responded 110 guests, and it was the most representative gathering of merchants, business men, professional men and visitors that ever occupied the spacious dining-room of Manager Daugherty's well-known hostelry, there being representatives of every known business and profession in this city, all with but one purpose in view—that of placing Maysville in the position in the business world she should have occupied years ago—the front.

The interesting program that had been arranged and was carried out, began with an invocation by Rev. H. T. Musselman of the First Baptist Church.

Then followed the singing of "My Old Kentucky Home" by the entire audience, the Redmen's Band leading the music.

After the singing of this soul-stirring and dearly-beloved song, the decks were cleared and all present went into action on the following toothsome menu that had been carefully prepared by Manager Daugherty—

Tomatoes on Lettuce, Mayonnaise Dressing, Saratoga Potatoes, Mixed Pickles, Queen Olives, Cold Boiled Ham, Salmon Salad, Vanilla Icecream, Strawberries, Assorted Cakes, Swiss and Cream Cheese, Apples, Bananas, Coffee, Milk, Cigars.

After the tables had been cleared and each one supplied with a pure Havana cigar of Maysville manufacture, Toastmaster Clarence L. Sallee took up the program, which was by far the most interesting "flow of soul" ever listened to by a Maysville audience.

The program as carried out was as follows—

"Municipal Interest a Mutual Cause"—Prof. E. Regenstein, Music.

"Greater Maysville"—John Duley, Music.

"The Utopian Capital of Mason County"—Mr. C. Burgess Taylor, Music.

"Boost! Don't Knock"—Dr. J. B. Taulbee, Music.

"The Relation of the Ministers to the City"—Rev. John C. Molloy, Music.

"A Long Pull, a Strong Pull, and a Pull Altogether!"—Rev. R. E. Moss, Music.

"Flotsam, Jetsam on the Ocean of Thought"—Gathered by Toastmaster.

After the speech of President John Duley he offered the following resolution, which fairly took the house by storm and which was the voice of every one present—

Resolved, That we are happy to be members of the Board of Trade Banquet, whether citizens of Maysville or residing outside its corporate limits; we will endeavor by all honorable means to advance the moral, educational and commercial interests of this city, which is the mother of this organization, by improving all public institutions, better school buildings, better facilities for instruction of the youth of our city, creating in our community a better moral sentiment; by inviting capital, encouraging factories, promoting electric and steam roads and every means of making transportation easy and economical, also by cleaning up our city and making more attractive our homes and places of business; by indorsing our Mayor and the press in the progressive movement they have inaugurated to have better streets, free from dust and mud, which can be done with less annual expenditure than we now have; to encourage the erection of an Eruptive Hospital, which can be used by both city and county; to push the matter of an Infirmary with proper sanitary arrangements, so that our poor can be assured every comfort; by aiding in the selection of such persons for city and county officials as will do those things that will promote the public weal; that we pray the next Legislature to enact some good laws and repeal some very, very bad ones; by aiding the World's Fair movement; that a nine-foot stage for twelve months in the year in the beautiful Ohio is a thing to be worked for and accomplished; that we employ a horse or mule doctor to treat some few of our citizens afflicted with bad cases of "chronic kicking," and in all other ways to do our duty as citizens and as men, with our motto, "United We Stand, Divided We Fall."

The resolution was adopted by a rising vote.

MAYSVILLE, KY., FRIDAY, MAY 8, 1903.

ONE COPY—ONE CENT.

As soon as the regular program was finished Mr. Sallee then called on Colonel Michael Joseph Hennessey of Augusta, who had traveled all the way from the Paris Railroad Convention with the venerable J. G. Craddock. Mr. Hennessey took for his subject "Women," and for several minutes he paid a glowing tribute to the fair sex of this city, giving them the credit for the good that has been accomplished.

He was followed by Mr. Monte J. Goble of Cincinnati, Judge Thomas R. Phister, Dr. Thomas E. Pickett and Dr. C. F. Evans.

At the conclusion of the speechmaking Mr. Harry C. Curran, on behalf of the Board of Trade and the citizens of Maysville, presented President John Duley with an elegant jardiniere and palm, Mr. Duley thanking the donors in a brief speech.

The Benediction was then pronounced by Rev. John Barbour, D. D.

COFFEE AND CIGARS.

It was plainly in evidence last night that Maysville will now get out of the "dumps" and push forward.

Among the out-of-town guests was that handsome "Knight of the Road," Colonel Thomas Costello of Cincinnati.

Colonel Monte J. Goble, former Cashier of the Catlettsburg National Bank, was the guest of President John Duley.

The music was furnished by the Redmen's Band, and it was of that soul inspiring kind that made everybody feel good.

Colonel Hennessey made a big hit when he said that Maysville was a good second to Chicago, in that she had a "Hennessey and a Duley."

Senator E. L. Worthington, who was down on the program for a speech, was called to Boyd county last afternoon. His place was ably filled by Rev. R. E. Moss.

After THE LEDGER and its Editor has battled for more than thirty years for streets instead of mud roads and turnpikes in Maysville, it is an encouraging sign when the Board of Trade falls into line.

The press was well represented from a distance. Editors J. Elgin Anderson of The Dover News, J. D. Wyatt of The Ewing Inquirer and J. G. Craddock of The Paris Kentuckian being conspicuous figures.

Too Great a Risk.
In almost every neighborhood some one has died from an attack of colic or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. CUTICURA PILLS

For Cooling and Cleansing the Blood and Skin

In Cases of Itching, Burning, Scaly Humours,

And for Renovating and Enriching the Blood.

The Best and Most Economical Yet Compounded.

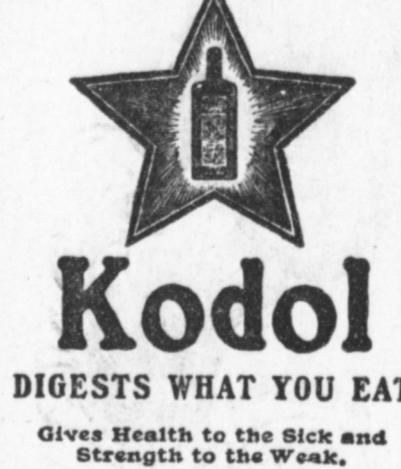

Cuticura Resolvent Pills (chocolate coated) are the product of twenty-five years' practical laboratory experience in the preparation of remedies for the treatment of humours of the skin, scalp and blood, with loss of hair, and are confidently believed to be superior to all other alternatives as well as liquid blood purifiers, however expensive, while enabling all to enjoy the curative properties of precious medicinal agents without consuming needless expenses and often injurious portions of alcohol in which such medicines have heretofore been preserved.

Cuticura Pills are alterative, antiseptic, tonic and digestive, and beyond question the purest, sweetest, most successful and economical blood and skin purifiers, humour cures and tonic-digestives yet compounded. Medium adult dose, one pill.

Complete external and internal treatment for every humour may now be had for one dollar, consisting of Cuticura Soap, to cleanse the skin, Cuticura Ointment, to heal the skin, and Cuticura Resolvent Pills, to cool and cleanse the blood. A single set, costing but one dollar, is often sufficient to cure the most torturing, disfiguring skin, scalp and blood humours, eczemas, rashes, itchings and irritations, with loss of hair, from infancy to age, when physicians and all other remedies fail.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

GIVES HEALTH TO THE SICK AND STRENGTH TO THE WEAK.

At a meeting of the Board of Directors of the Maysville Gas Company, May 6, 1903, it was ordered that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for private consumers.

All rates and discounts heretofore made are abandoned.

It was also ordered that after the 1st of April, the old rule of the Company, "Gas will be turned off, if account is not paid within five days after presentation," shall be strictly and indiscriminately enforced, regardless of whom it concerns, contrary, nor with the idea that the accounts of the consumers were not perfectly good any time during the month, or a year later for that matter, but for the good of all concerned and in order that this part of the business may be conducted in a more systematic manner and in a better manner than has been at a specified time during the month and disposed of, and further in order that the time and thought of the Company's Agents and employees, now so largely occupied with this work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.

It was further ordered that, beginning the first of May, and for each and every month thereafter, the bill for the consumption of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court street within five days, and if not paid so said gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas companies, all the great and important Gas Ranges shown in the catalogues of the Detroit Stove Works, which price will be equivalent to 50% discount from the list prices in said catalogues.

Sale of stoves will be sold for cash only, according

A Trial Bottle Absolutely Free to Every Lady Next Saturday and Monday—Call on Your Druggist for It.

MRS. CHAS. N. WEST, Chicago.

The experience of the women who have used Zoa Phora is no less interesting than remarkable. It relieves pain and suffering from carelessness and neglect, folly and indiscretion. It tells of turning to the one true "woman's friend." When all doctors and all other remedies have utterly failed to bring relief from pain, much less cure the disease. It is good for the young girl just building into womanhood. It is a staunch supporter of the woman approaching the frightful hours of labor pain. It never fails to bring relief to weak-living, displaced organs or female troubles of any nature. Suppressed periods, change of life, lactation or leucorrhea, kidney, liver or bladder troubles, corrects falling or displacements and builds up the system. In thenumbreds of cases where it has been used as a last resort, it has never failed and the grateful women rise up from their beds of pain and call it blessed. Here is a letter that well illustrates what a place the remedy has in the hearts of women who know it:

Mrs. Chas. N. West, 10 Abbott Court, Chicago, under date of Feb. 6, 1902, wrote as follows: "For years I suffered from weakness, often accompanied by inflammation. Every month I was obliged to give up my work and go to bed, and my suffering was intensely painful."

"Through kind advice I used Zoa Phora and this month the pain has almost entirely disappeared and I am cured of the

CLOTHING TALK! 999

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
